FA40 ID LABEL TEMPLATES
TEMPLATE ID: FA40ID001

FA40 – ZONE ID Label Cutout Template

1. Print the Template

Use A4 paper and ensure the scale is set to 100% (1:1).

2. Add Zone Description

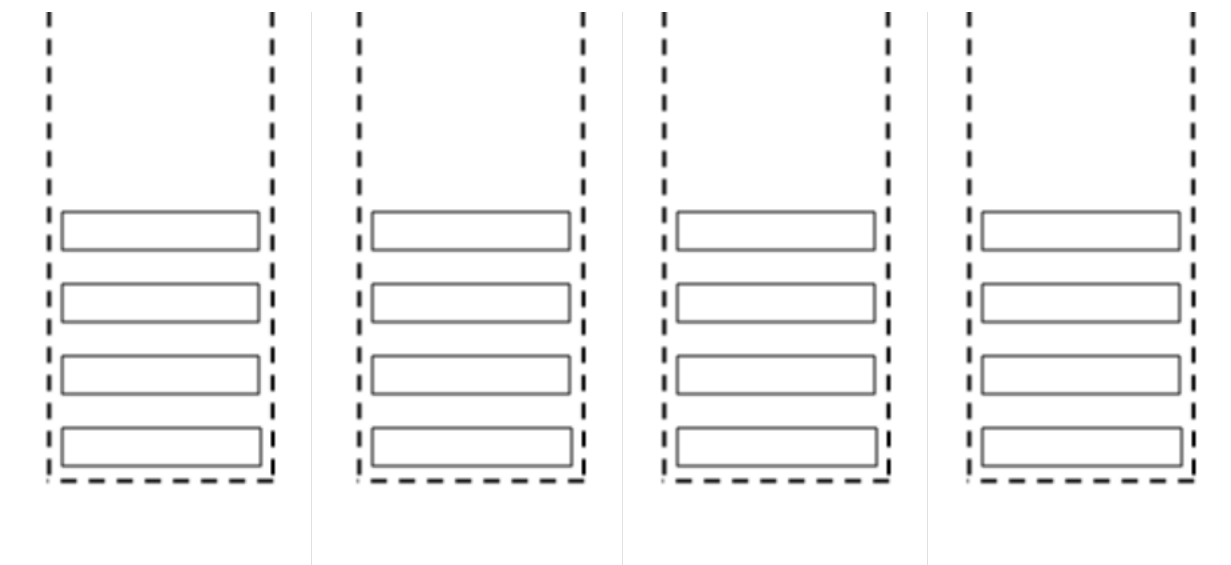

You may write the zone description inside the 4 boxes below before printing or fill it out by hand after printing.

3. Cut Out the Label

Carefully cut inside the dotted line.

4. Insert into FA40 Label

Slide the cutout into the opening on the FA40 label. You might want to retain some of the paper at the top of the cutout to allow for easier removal if required.
